

A low-cost BLE tag in the form of a card

- Bluetooth 5 compatible
- Range up to 60 meter
- Up to 3 years of battery life
- IP66

Connectivity

Transmission power

Variabel transmission power up to 60 meter.

BLE advertisement period

2 seconds

Mechanics & design

Antennas

PCB antenna

Water & dust resistance

IP66

Size

86x54x4 mm (L W H)

Operating temperature

-20 to 65°C

Weight

18 gram

Casing

ABS plastic housing

Color

White

Battery

- Up to 3 years battery life depending on transmission power (Tx=0dBm; interval: 900ms)
- Non replaceable batteries

Certifications

- CE
- FCC
- RoHS
- REACH
- ATEX
- Bluetooth QDID/EPL
